

Hamilton Parrot Head Club

Interim Report – January 1st to December 31st, 2015

The Hamilton PHC (A1EH) is pleased to announce that we had 36 paid members and 3 honorary members for 2015. We've seen a drop to 24 members for renewing in 2016, but hope to bring more members in as activities pickup in the Spring.

We did not host our annual April fundraiser this year due to our membership level being too low to be able to effectively put together the level of event we've had in the past. We are seeing a decline in membership and I think that is largely in part due to Buffett being a no-show in Toronto once again this year. Is very difficult to maintain a fan club of an entertainer when the entertainer doesn't show up in your city for years.

In April, elections were held for the role of President and Secretary, and I'm very happy to report that Michelle Griffiths was elected as Secretary and I was re-elected as President.

The club was able to complete our Spring cleanup of Mountain Brow Road in Hamilton and the combined amount of volunteer hours was 40.

In June we hosted Kelly McGuire and Mark Mulligan in Burlington at Butchard's Margaritaville backyard, and we had over 50 guests from many of the local Parrothead associations. Members of the Hamilton PHC also participated in the Parrots on the Grand event with Sunny Jim in late June.

Not an overly eventful year but we will continue forward with our regular monthly club meetings at the Black Bull in Burlington and we'll look forward to hosting backyard concerts during the summer.

Regards,

Lawrie Butchard
